EXPERIENCE

VSK LTECH LLP   **May 2025 - Nov 2025**
Software Developer   *Noida, Uttar Pradesh*

- Contributed to MAUI (Multi-platform App UI) for cross-platform application development and participated in debugging and performance tuning across the full stack, from UI to database.
- Worked across macOS and Windows, resolving OS-specific issues including a complex File menu bug on macOS.
- Played a key role in stabilizing the FileTech application, addressing performance bottlenecks and improving cross-platform reliability.
- Demonstrated extensive experience with industry-standard libraries and frameworks, including iText, iTextSharp, Aspose.Words, and Syncfusion, to enhance application functionality, performance, and document-processing capabilities.

Sobersphere   **Oct 2024 - May 2025**
Junior Software Developer   *Noida, Uttar Pradesh*

- Developing expertise in Java, and leveraging technologies such as Spring Boot, Hibernate, ReactJS, MySQL, and HTML, CSS, and JavaScript for full-stack development.
- Building practical skills through project work, creating industry-standard full-stack applications.
- Collaborated with designers and stakeholders to translate business requirements into functional technical solutions.
